

HEMLOCK STUDIO GALLERY Artists' Newsletter

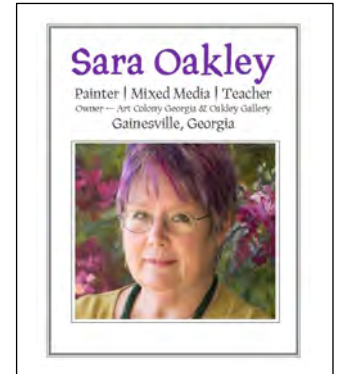

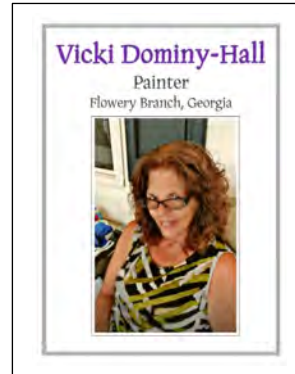

August 4th, 2024

Featured Artists

Our featured artists this month are **Vicki Dominy-Hall** and **Sara Oakley**. The names of all Hemlock artists and artisans were placed in a bowl and two were drawn at random. Both Sara and Vicki are featured on our website, and some of their paintings are displayed front-and-center on the walls behind the desk...easily seen when one opens the door and walks into the gallery! Additionally, a "Featured Artists" poster is on display in the front window of the gallery.

Congratulations, Vicki and Sara!

Two new names will be drawn each month so that, over time, each of you will be in the spotlight!

THE HEMLOCK COMMUNITY

In addition to providing a gallery with high-quality art in downtown Clarkesville, Hemlock Studio Gallery is also a community of artists and artisans. Each member brings prior life experiences and, together, we form a rich tapestry! Over time, the hope is that we will get to learn about and know one another.

One way to learn about the artistic journey of our fellow artists is to view the bio on their Hemlock webpage on our website:

THANK YOU!

Thank you for your creativity, your energy, and your enthusiasm...in all the ways that you show up to support one another and make our gallery the wonderful place that it is!

MORE TO COME

Given the speed with which we transitioned from the gallery at 1392 Washington Street to our new space up on the Clarkesville Square, there are several things that still need to be completed...like the to-do lists that most of us have in our personal lives. I just wanted you to know that we are not "done" yet. I appreciate your patience as we work through the list (here are some of the major ones):

- ✓ Additional LED lighting at the rear of the gallery
- ✓ Repaint the front door (Hunter green)
- ✓ White logo on bottom of the windows
- ✓ Corkboard behind the counter at the desk
- ✓ Repainting of checkout desk
- ✓ Shelving above the fridge in HVAC closet
- ✓ Transition to adding each artist's inventory to the SQUARE system (eventually eliminating the need to write paper sales slips)
- ✓ Develop a schedule of classes for Fall 2024

-Don

Please help by remembering to...

- Write your name on each sales slip.
- Write the initials and inventory # of each item on the sales slip...it's how we know who to pay.
- Text or call the artist to let them know when an item has been sold.
